

The link to your international banking transactions

With GlobalOn-Line, your company will always have access to summarised account information. You will be able to execute payments and transfers, no matter where in the world your operations are situated. All this through a single web-based link to Handelsbanken.

Advantages for your company:

- One channel for all international banking transactions
- Summarised information for all your international accounts
- The ability to effect payment orders in other countries
- The ability to make domestic and cross-border transfers

Summarised account information

Online, you will have direct access to summarised account information for all your company's international accounts, both with Handelsbanken and with other banks. You will also have access to detailed reference information concerning your company's customer payments. The information is also available on file.

Intra-group transfers

Online, or via file transfer, you can make transfers between your Handelsbanken accounts and accounts with other banks. It is also possible to make same-day transfers between Handelsbanken accounts in different countries with no loss of interest days.

Payment orders in other countries

GlobalOn-Line makes it easy to execute local payments and cross-border payments from accounts in other countries. The payments can be made both from a local account with Handelsbanken or from an account with another bank in the country where you wish to execute the payment.

Regardless of the country or the bank from which the payment is to be made, you enter the information directly via Handelsbanken's online banking service or send it via the file transfer service. Orders can be sent up to 12 months before the payment date. Handelsbanken ensures that they are paid on the correct date.

Collaboration with international banks

By using GlobalOn-Line, you will have one point of contact for all your company's international bank transactions.

Handelsbanken offers GlobalOn-Line via its own units in the following countries: China, Denmark, Estonia, Finland, France, Germany, Hong Kong SAR, Latvia, Lithuania, Luxembourg, the Netherlands, Norway, Poland, Russia, Singapore, the UK and the US. In these countries you have direct access to our broad range of banking services.

In countries where Handelsbanken is not represented we can offer tailored banking services in collaboration with local banks. Our collaboration agreements give you access to ready-made international solutions.
